

# St Bernadette's School

Friday 15 March 2019 — Term 1 Week 7

No. 7

Dear Parents,

## R.E. NEWS

*It's time to walk on water.....*

*Homily Extract by Pope Francis,  
Basilica of Saint Sabina in Rome*

Ash Wednesday Mass on March 6 2019

Lent seeks to slow down our life, which is so fast paced, yet often directionless. It is a summons to stop, to focus on what is essential, to fast from the unnecessary things that distract us. It is a wake-up call for the soul.

Lent is a time to rediscover the direction of life. Because in life's journey, as in every journey, what really matters is not to lose sight of the goal. The Lord is the goal for our journey in this world; the direction must lead to him.

The small mark of ash that we received on Ash Wednesday, is a subtle yet real reminder that of the many things occupying our thoughts, that we chase after and worry about every day, nothing will remain. Earthly realities fade away like dust in the wind. Possessions are temporary, power passes, success wanes.

The culture of appearance prevalent today, which persuades us to live for passing things, is a great deception. It is like a blaze: once ended, only ash remains.

Lent is a time to free ourselves from the illusion of chasing after dust and for rediscovering that we are created for God, not for the world; for the eternity of heaven, not for the earthly deceit; for the freedom of the children of God, not for the slavery of things.

We should ask ourselves today: Where do I stand? Do I live for fire or for ash?

**Leanne Nettleton—Principal**

### Season of Lent

The three practices of Lent are; Prayer, Fasting and Almsgiving. Almsgiving: Is a sign of our care for those in need and an expression of our gratitude for all that God has given to us.

St Bernadette's is always so generous in their support of Caritas Australia and our Project Compassion appeal. Caritas Australia is the International aid and development organisation of the Catholic Church in Australia and is part of one of the largest aid and development networks in the world.

In 2019 the Project Compassion theme is, '100% Hope Lives Change when we give 100%'. Throughout Lent St Bernadette's is focusing on donating money for children in Zimbabwe. Every \$45 we raise allows Caritas to buy school supplies for children like Thandolwayo to attend school. The Mini Vinnies group have been encouraging students to reach out and help these children and follow the example of Jesus and live our school and Gospel Values.

## Easter Eggs at School

As the Easter season and the common sharing of chocolate eggs is approaching, it is important to remember that there are a number of children at St Bernadette's who are severely allergic to nuts, eggs and/or dairy etc. Parents are asked to support us by ensuring that lollies/chocolates/Easter eggs are not brought to school by the children, either for themselves or to share with others. Thank you for your continued cooperation in making St Bernadette's a safe environment for all our children.

## NAPLAN Online Information

Thank you to all the parents who were able to come to the meetings on Thursday night and Friday morning to hear about NAPLAN Online in 2019.

Below is the link to the NAPLAN information website. It has comprehensive information about the testing and practice tests for you to navigate.

## What's happening in Maths at St Bernadette's?

Last Friday we had eight enthusiastic mathematicians listed below from Years 5 and 6 putting their knowledge to the test in the first of our competitions for the year! The competition was organised by the Maths Association of Western Australia (MAWA).

The students were engaged in developing their understanding and fluency in mathematics through inquiry, exploring and connecting mathematical concepts, choosing and applying problem-solving skills and mathematical techniques, communication and reasoning. They eagerly sought the solutions and vigorously defended their answers before submitting their group's responses. They are great role models for persistence and collaboration for our students at St Bernadette's. Congratulations to:

### Year 5

Xavier Bounassif  
Liam Conlin  
Ella Hammersley  
Frederick Anderson  
Zander Cheng

### Year 6

Eva Cooper  
Xavier Hennessey  
Lucas Karam  
Zander Cheng

Over the year these students will be sharing their skills and knowledge with more teams from Years 3-6 as we engage in opportunities to explore and test our skills against teams from across the country.

## Social Skills: Weeks 7 & 8— Displaying our School Values at St Bernadette's (Self Awareness)

Our school motto is 'Strength through Gentleness' and it is this motto that is the basis of the relationships that we endeavour to build with those in our school. We define 'strength' as the state of being strong; muscular power, mental power, moral power and power by reason of influence. 'Gentleness' is defined as the value and quality of ones character.

Our school motto underpins our school values of respect, honesty, tolerance, forgiveness, care and compassion and we proudly recite these at our assembly each week.

The development of our friendships and enriching our caring school environment allows us to display our school motto and the school values of being strong in our beliefs and gentle in our ways as we interact with each other at school and at home.
