

# St Bernadette's School

Friday 14th June 2019 — Term 2 Week 7

No. 18

Dear Parents,

*“The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. ...Since we live by the Spirit, let us keep in step with the Spirit.”  
Galations 5:22-23, 25*

Each Monday, at our assembly, the children and staff publicly pray our school prayer which proclaims our school values and which inspires us to live these values out in our school day in the same way that St Paul calls us to live by the Spirit, immersed in our faith and responsive to God's promptings in our lives.

When we are able to live by the Spirit, the 'fruits of the Holy Spirit' assist us in living as Christians.

At St Bernadette's, throughout this term we have been reacquainting the children with our school values so that they have a clear understanding of what each value looks like, sounds like and feels like. To quote an often used saying we want our students to “walk the talk” of our stated values.

With Miss Jurcevic and Mrs Coppini, the Year 2 children brainstormed and described each value:

**respect, honesty, tolerance forgiveness care and compassion**

They then shared these across the school and inspired other grades to do the same with their teachers.

At our Friday Awards Assemblies, our School Leaders introduce and encourage the students to develop that value in their behaviours over the next 2 weeks. The following assembly students are recognised for their capacity to demonstrate that value in their actions.

Of course what we aim for is students integrating these values into their daily life without the need for reward or rather that the reward for demonstrating these values is the development of a community that truly does demonstrate strength through gentleness in our words and actions.

This is as much applicable to the students as it is to the interactions between the adults in our school community. Respectful conversations between adults reflect our commitment to our Catholic values and our school values. Our staff enthusiastically support your child's learning and are always happy to meet with parents. Thank you to all parents who acknowledge this by the respect that they demonstrate in their approaches to their child's teacher.

Parents and teachers have a common goal: to facilitate the best educational experience possible for students. Therefore when parents and teachers communicate with one another, they are able to work together towards this common goal. In Week 9 our next formal communication opportunity will be available to all parents. Please ensure that you have made your appointment.

# R.E. NEWS

This Sunday is solemnity of The Most Holy Trinity. Pope Gregory IX instituted Trinity Sunday in 828 CE. This day is known for being the only major Christian festival that celebrates a church doctrine rather than an event in its sacred history. It is dedicated to the Christian belief in the Trinity – Father, Son and Holy Spirit – and falls on the Sunday following Pentecost each year. The belief of one God in three elements is a distinctive of the Christian faith but the early church was plagued by contrary views. Trinity Sunday spread throughout the western church around the 14th century CE.

In some churches, the liturgical colour is white on Trinity Sunday. Images of the Trinity of the Father, Son and Holy Spirit depict that there are three elements of one God. The

Trinity is sometimes symbolized by a triangular shape formed by three overlapping oval rings or loops, each featuring one of the following images: the crown (father) within the top loop; the lamb (son) within the second loop (clockwise); and the dove (spirit) within the third loop (clockwise).

This Sunday is an opportunity for the congregation to learn and revisit the concept of the trinity, which refers to the Father, Son and Holy Spirit being one God.

At St Bernadette's we are:

**Respectful  
Resilient  
Safe  
Learners**

At our recent Parents and Friends Meeting Mrs Nettleton spoke about the school's implementation of Positive Behaviour Support for Learning (PBS4L) - an approach which supports the overall well-being of students by improving student learning outcomes. Research indicates that when students feel safe and cared for and have a sense of belonging, they are able to achieve their potential in all aspects of their learning.

PBS4L is a school-wide initiative that encompasses our school values and school motto and helps the students to learn and understand the school's shared values and goals.

Throughout the year the teachers will have access to evidence-based professional learning that promotes effective classroom practices targeted at increasing positive behaviour within the school environment and also focuses on increasing authentic student engagement when it comes to learning tasks.

## Build A-Thon

The St Bernadette's students enjoyed a fabulous day at the Build A-thon! The children were seen using their curiosity, creativity and cooperative learning skills to build various structures. There were creative marble mazes, bridges, cup towers and even some pasta structures!

Now that the Build A-thon challenges have been completed, the time has come to start collecting the money pledged from all of your generous sponsors. Thank you to parents (and sponsors) who have already sent in their money — **\$3000+** received already. Well done and thank you!

To be in the running for some great prizes, please ensure that all of the Build A-thon sponsorship money is returned to school by **Thursday 27th June**. Our major prize this year for the family who raises the most money is a **Family Ride Pass** for our **Fun Fair** in November.

Photo from today's fun filled event can also be found on the school Facebook page!

## **Social Skill Focus (Responsible Decision Making: Respecting Others) - Being a Fair and Considerate Student at St. Bernadette's**

Being fair is about the way we treat other people. The old saying of 'Treat other people, the way you would like to be treated,' is certainly true- especially at our school St. Bernadette's.

People who are fair, believe in justice and a fair go for all. Fair people don't judge others on their race, religion, gender, disability, appearance, the clothes they wear or how much money they have.

Fair people realise that rules are made to keep everyone safe. They know that together we can accomplish great things, if everyone is given a fair go in our school community.

### Family Discussion Starters

What are your responsibilities in the family?  
Have you ever felt discriminated against?  
Is the world we live in a fair place?

Never look down on anyone else unless you are helping them up.

*Mrs Kathy Watt*

## Sport News

### NRL Gala Day - A word from the players:

We started the day ready to play footy with our mates, some who had never played club footy before. All we thought about the whole day was to have fun and enjoy ourselves. We shook each player's hand on the opposing team at the start and end of each game wishing them good luck.

We played with aggression even though we lost our first game, it made us hungry for wins and we all played hard as one team. We held our heads high even if there was an error or two.

We won our second match which gave us the confidence to win our third and final match to make it in the playoff. The players from the opposing team (Our Lady Of Lourdes) were some of our teammates from club Rugby League but that didn't stop us from winning.

The final was our most challenging game playing against Kings Langley Public School. We had a few decisions not go our way but we still showed our school values and showed good sportsmanship and made our school proud. In the end, we lost the playoff but congratulated the other team on their win. Although we lost that game, we had fun throughout the whole day with our mates and placed second overall. Each player did their best and had fun.

We would like to thank all the parents who helped out throughout the day especially Mr Wadih, Mr Akle and Mr Barone. We would also like to thank our Year Five teacher, Mr Bamford, and also all the parents for their support taking us to the gala day and supporting us when playing.

*Marc Anthony Zeaiter and Antonio Wadih*
