

# St Bernadette's School

Friday 2 August 2019 — Term 3 Week 2

No. 23

Dear Parents,

What a busy and exciting time we have had at St Bernadette's this week. We have had many opportunities to see our school values in action as we continued our learning, participated in sporting events hosted international visitors from Texas and opened our doors to our grandparents. We even had a visit from Spiderman, Captain America and Obi Wan Kenobi as we celebrated 100 sleeps until our fun fair!

Firstly, I would like to thank our families for the wonderful celebration yesterday with our grandparents. Much organisation goes into a special event such as this one and we value the contribution that the many parents who helped with all aspects of the day gave. Thank you!

Our grandparents are a valuable resource because they have so many stories and experiences from their own lives to share. Oftentimes children will listen to grandparents even when they are not listening to us their parents. Grandparents are our link to the family history.

On Tuesday we hosted educators from Texas who were here to see our project-based learning in stage 3 in action. They were especially impressed with how articulate the students were when discussing their learning. Well done Years 5 and 6!

Our primary students participated in the netball and soccer gala days and as usual represented our school with distinction. Not only in their ability to play but through their friendship and sporting behaviour that makes them a credit to St Bernadette's. You can read about their efforts further in our newsletter.

Have a lovely week,  
Melissa Beggs

## R.E. NEWS

There was a wealthy landowner who lived in the Scottish Highlands. There was an emptiness in his life. He had no religious belief, he lived alone, possessed by his possessions. In the gate lodge at the entrance to his estate lived John his farm manager. John was a man of simple faith and deep religious commitment. One morning the landowner was looking out on the valley, he said to himself, 'It is all mine' when he heard the doorbell ringing. He found John on the doorstep. 'What's the matter John?' he asked. John looked embarrassed. 'Sir, last night I had a dream, and in it the Lord told me that the richest man in the valley would die tonight at midnight. The landowner dismissed him, but John's words kept bothering him, so he went to the local doctor for a complete check-up. The doctor pronounced him fit as a fiddle. When midnight passed and he was still in the land of the living he went up the stairs to bed. He then heard the doorbell. It was 12.30. At the door was John's daughter in tears. 'Mummy sent me to tell you that Daddy died at midnight.' The landowner froze as it was suddenly made clear to him who was the richest man in the valley.

"Yesterday's the past, tomorrow's the future, but today is a GIFT. That's why it's called the present."

In the parable in Sunday's Gospel (Luke 12:13-21) Jesus invites us to make ourselves rich in the sight of God. The richest man in the valley may not be the one with the most money. Jesus said, "Watch and be on your guard because a man's life is not made secure by what he owns, even when he has more than he needs." (Luke 12:15). Have a wonderful Week.

## Student Council War on Waste initiative – Waste Free EVERY DAY

### St Bernadette's Primary School, Castle Hill

**School Hours:** our school day commences at 8:30 am with dismissal at 2:45pm.

Children are encouraged to arrive at school after supervision begins at 8:00 am. If children need to be left before this, arrangements for their care can be made at the Before and After School Centre adjacent to the school.

We do understand that some children will arrive at school earlier for Band, sport trials before or after school with suitable arrangements made by parents for their collection in the afternoons.

When children do arrive at school just before 8am supervision begins, they are invited to sit quietly in the Passive Grass Area. At all times we are ensuring the safety of the children at St Bernadette's and appreciate your cooperation with our school hours and teacher supervision times.

### ACARA Collection Student Background Data Notice

The Australian Curriculum, Assessment and Reporting Authority (ACARA) collects data from schools to determine the Index of Community Socio-educational Advantage (ICSEA). CEDP is currently working to provide relevant details to the Catholic Education Commission of NSW. Data collected is de-identified of personal information. Parents and caregivers must advise their school if they don't want their child's data included in this report by 30 August 2019. Copies of Catholic Education Diocese of Parramatta (CEDP) Standard Collection Notice and Privacy Policy can be obtained from the school office.

### Social Skills—

St. Bernadette's Social Skills for this semester will be aligned with our school's implementation of Positive Behaviour Support for Learning (PBS4L) - an approach which supports both the overall well-being of students. Research indicates that when students feel safe and cared for and have a sense of belonging, they are able to achieve their potential in all aspects of their learning. PBS4L is a school-wide initiative that encompasses our school values and school motto and helps the students to learn and understand the school's shared values and goals.

Our overarching expectations are: **RESPECTFUL, RESILIENT, SAFE and LEARNER.**

### Weeks 1 & 2

#### Recognising my Personal Strengths at St Bernadette's 'LEARNER'

Our school motto is 'Strength through Gentleness' and it is this motto that is the basis of the relationships that we endeavour to build with those in our school.

We define 'strength' as the state of being strong; muscular power, mental power, moral power and power by reason of influence.

'Gentleness' is defined as the value and quality of one's character.

It is timely that we consider our school motto and the impression its meaning has on our social interactions, as we begin the second part of our school year.

We have been discussing the word 'success' and our own personal strengths that allow us to be successful at school and at home.

Our students will begin to develop an awareness that doing their 'personal best' - recognising their strengths, helps them to be successful and that it feels great when you have accomplished something that you set out to do. Everyone needs to feel satisfied when they have done their best.

#### Family Discussions:

- Help your child to discuss and identify their own personal strengths and examples of their success and how they felt about it.
- Pay attention to times when they are unhappy and have taken positive steps to become happier and draw on their personal strengths.
- Communicate enthusiasm for all types of successes you observe and how they achieved them.

*Mrs Kathy Watt*

### Attendance—Every Learner Every Day

Our attendance rate is **86.6%** and still remains below our schools 90% target. Congratulations to Kindy and Year 5 with their attendance rates meeting the 90% target. Meeting our attendance rate is important because students are more likely to succeed academically and socially when they attend school consistently. We encourage all parents to assist their child by being present and ready to start each day at 8:30 am. Learning begins when the school day starts. Thank you to those parents who notify the teachers when students are absent as this is a requirement for our roll, that students absences and the reasons why are recorded, preferably the next day the student returns to school.

### Years 3/4 Soccer Gala Day - A word from the players:

On Tuesday this week, St Bernadette's took 3 teams to the soccer gala day out at Penrith. The children were so excited, especially after having the original date postponed due to wet weather. I had an amazing experience as a referee. I noticed that all the kid participating in the gala day were very talented as well being good sports. It was fun to watch a soccer game from a different perspective.

After speaking with some of our players and coaches, I heard about the events of their day. One of the boys teams came 2nd in their pool - they had a clean sheet, with no

goals scored against them all day. The other boys team, played hard and showed a resilience in their games throughout the day. The girls team had many girls in it, who had never played before and gave it a try. It was great to see the effort they put into every game.

We should also say a huge thank you to the coaches for giving up their time to assist the children both on and off the field.

It was truly a great day. - **Sarah Lievano**

### Netball Gala Day - A word from the players:

On Wednesday, the 31st of July, the Annual Invitational Netball Gala Day was held at Kellyville netball courts. Approximately 60 children from Years 3-6 participated in the carnival. All participants, coaches, managers and umpires had a very enjoyable day and tried their best, luckily we were all blessed with dry weather.

Congratulations to all the children who participated, everyone displayed excellent sportsmanship and tried their best throughout the entire day!

The 9 years girls green team, 10 girls and 12 girls green team were the division winners on the day! Well done on their outstanding effort! Many thanks to all the parents, umpires and older sisters who helped with coaching, managing and umpiring. Special thanks to all the St Bernadette's netball committee for not only giving up their time on the day but for all their hard work in making this day possible for the students to enjoy. A number of other schools in our diocese commented on the friendly atmosphere and the excellent organisation of the day. Thank you to Miss Morelli, Miss Bleakley and Mrs Hourigan for all their help on the day. - **Justin Lim 6B**
